**Making most of your pathways**

*The 4 years I spent at Junyuan were a defining chapter of growth and discovery for my life. As part of the Media Production Club, I had the privilege of acting as the club's President. And through this experience, I developed a strong sense of leadership, teamwork, and adaptive problem-solving skills that shaped my confidence and independence as a student and person. Junyuan's supportive environment encouraged me to take initiative and to challenge myself through extracurricular opportunities. When I passed my leadership role on to my juniors, I felt proud knowing that the values of creativity and collaboration will continue to flourish onto the next generation of Junyuan students. Junyuan Secondary School is not just a place of learning. It is where students are inspired to learn, grow, and lead.*

The image shows the cover of the booklet titled "A Guide to Post-Secondary Admissions Exercises". The cover is blue at the top with the title in white. Below it is a white section containing the text "The various pathways you could explore after secondary school that provide opportunities for continuous learning". The bottom half of the cover features an illustration of two people, a man and a woman, standing outdoors. The man is pointing towards a signpost with three arrows pointing in different directions. The background of the cover has a light blue gradient with some white clouds. In the bottom right corner of the slide, there is a small grey speaker icon indicating that there is audio content associated with this slide.

## PFP – Polytechnic Foundation Programme

PFP is a one-year programme that offers a practice-oriented curriculum taught by polytechnic lecturers to better prepare polytechnic-bound Secondary 4N(A) students for entry into a polytechnic diploma.

Starting from the AY2026 PFP intake, students will be admitted into a PFP cluster, and progress to one of the diplomas within the cluster after completing the one-year programme.

The exceptions are Diploma in Nursing, Diploma in Early Childhood Development & Education, and Diploma in Tamil Studies with Early Education, for which students can be admitted either via the diploma-specific PFP or the relevant PFP cluster.
